

GrantSolutions 3.4 Release Notes – Grantee

General Improvements

1. Email notifications will be sent *only* for electronically submitted applications and not for paper submissions.
2. The Internet Explorer (IE) Version 7 alignment issues have been corrected.
3. When accessing the [Help/Support](#) Main Menu option from GrantSolutions, the pop-up window now displays GrantSolutions' content, Internet Explorer (IE) menus and the address box.
4. Implemented Page level help and improved field level help on many of GrantSolutions' pages.
5. Miscellaneous program adjustments and performance improvements have been implemented.
